1.7 If the Client provides information that is not accurate nor comprehensive, or if the Client does not provide further information or documents within a reasonable time as requested by the Company, the Company shall have the right without prior notification to cancel the refund request or put it on hold, pending provision by the Client of further information or documents in order to proceed and execute the refund request.

1.8 In case the Company cancels the request, the Client can re-submit a new refund request to the Company.

1.9 The Company will process refund requests in line with the Client Agreement. The Company cannot accept refund requests that are not in line with the Client Agreement including instances where the beneficiary is a third party or in instances where the beneficiary account is anonymous.

2 Processing Timeframe

3 Initial Deposits Processed by Debit/Credit Card
